

# SKILLED NURSING CORE COMPETENCIES

## Please use this list to help with patient plan of care decisions.

At EdenHill Communities, your patients will enjoy the privacy of individual suites complete with large baths featuring easy-access showers. As the only independent, not-for-profit, senior living community in New Braunfels, we have been putting people first for over 112 years. We look forward to your partnership and serving your patients' care needs.
